Matt Lucas : Little Britain : The Complete Scripts and Stuff: Series Two before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Britain : The Complete Scripts and Stuff: Series Two:

15 of 15 people found the following review helpful. Little Britain - Big LaughsBy Craggy IslanderFirst, I have to admit I am addicted to these guys. If you love quirky British humor and are a fan of the show, you'll truly appreciate this book. Vicky Pollard's rambles are just as funny in print, and this book of scripts provides the translations of her rants. The photos are terrific as are the extras. I cant wait til Season 2 is released on DVD, and sure hope the boys follow that year up with a similar book. To sum up my opinion of this funny volume, I will quote the character, Anne: "EH EH EHHHH!"15 of 16 people found the following review helpful. Yeah but...By Trish-Trish!No but yeah. There was this book called Little Britain Series 1, or summink or nuffink...Seriously, if you like the series, you'll like this book. Particularly useful if you're struggling to understand some of the accents on the show, and if you REALLY want

to know what Vicky Pollard is saying! There are some great extras in it too, including excerpts from Emily Howard's diary. This book is a 'must have' for Little Britain fans, and if Rochelle tells you different don't listen to her 'cos she's dirty! Enjoy!

These are the published scripts of the hugely successful series. 'Little Britain' is the TV comedy everyone is talking about, and has made instant stars of its creators, Matt Lucas and David Walliams. The show has a cult following, and the books will have material and photographs produced exclusively for the book. 'Little Britain' has become Britain's best-loved sketch comedy since 'The Fast Show' - at this year's BAFTAs it won Best Comedy Series or Programme and was nominated for the Best Comedy Performance Award. It has already gone from cult cool to the kind of quotable success that comedy classics are made of. The characters from 'Little Britain' are already household names: Daffyd, the only gay man in his village (and that's the way he wants to keep it); Jason, the teenage boy with an unhealthy attraction to his best friend's granny; Marjorie Dawes as the terrifying FatFighters group leader; Emily Howard, the rubbish transvestite; Bernard Chumley, the ageing theatre actor with a suspicious need to rid himself of his sister; and, of course, Vicky Pollard as the incomparably incoherent young offender. The show has made stars of Matt Lucas - who appeared as overgrown baby George Dawes on BBC Two quiz 'Shooting Stars' - and David Walliams, previously seen on the comedy-drama 'Attachments' and spoof show 'Rock Profiles', alongside Lucas. Both stars will help create the Little Britain script book, writing new exclusive material and plenty of unique additional features throughout. We will produce a lavish, colour book - illustrated throughout - that will make this book an instant classic.

About the Author Matt Lucas and David Walliams met in 1990 at the National Youth Theatre and were brought together by their shared love of Reeves and Mortimer. They have both starred in various TV and stage productions. Matt and David have written three bestselling series of Little Britain, and raised two million pounds for Comic Relief with a limited edition DVD. Recently they performed a record breaking run of their live show at the Hammersmith Apollo and have performed to over 650,000 people in the UK. Since 2008 David Walliams has taken the children's literary world by storm. His most recent book RATBURGER, immediately went to no.1 in the children's chart, while the PB of his previous title, GANGSTA GRANNY, currently dominates the UK charts and has sold over 100,000 PBs on top of 370,000+ HBs and 36,000 ebooks (Bookscan July 2013). Today, David is the fastest growing Children's author in the UK. His books have been translated into 30+ languages and sold over 2 million copies in the UK alone.
