**Richard E Klemensen : Little Shoppe of Horrors** before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Shoppe of Horrors:

HANDS OF THE RIPPER was one of Hammer Films best latter day horror films. From 1971 and director Peter Sasdy, was the daughter of Jack the Ripper possessed by the spirit of her father? Interviews with the star Angharad Rees, the director and much much more. Covers by Mark Maddox and Bruce Timm.
