A hilarious send-up and ironic celebration of hipster culture based on the hugely popular website Look at this Fucking Hipster (LAFH.com) was born in April 2009 as a way to help author Joe Mande help his dad answer the question, "Is that a hipster?" Months later, with millions of followers and dozens of parodies, it has become a cultural phenomenon, referenced in media, newspapers, blogs, and more. Look at This Fucking Hipster is a collection of photos, snarky captions and short essays exploring and, let's be honest, poking fun at the wide world of hipster culture, from Williamsburg to Silver Lake and points between. Chapters cover types of hipsters, celebrity hipsters, hipsters through the ages, hipster love connections, and the next generation of hipsters (AKA hipster babies).

Wholly addictive. A brilliant, era-defining blog. New York Magazine There have been many Tumblr-to-book deals [LATFH] may well be the awesomest of all.
