Not what I needed for my class. 2 of 2 people found the following review helpful. This book is really bloated and reads like a high school level text By Matthew This book is really bloated and reads like a high school level text. In other words, up to half the words in each chapter could be removed and the meaning would not be lost. This makes the book dry and takes longer to read. As an introduction to movies and concepts, the book does its job. 0 of 0 people found the following review helpful. Five Stars By Shopping is life Interesting book for movie lovers changes how one views movie

Two DVDs complement and elaborate on key concepts in the text. Disc 1 offers 25 short 'tutorials,' helping students see what the text describes. Disc 2 includes an anthology of 12 short films, from 5 to 30 minutes in length. Together, the DVDs offer nearly five hours of pedagogically useful moving-image content.
