Andrew Yule : Losing the Light : Terry Gilliam and the Munchausen Saga (Applause Screenplay Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Losing the Light : Terry Gilliam and the Munchausen Saga (Applause Screenplay Series):

Heaven's Gate , by comparison, was a party in Paradise. Some of cinema's legendary artists renowned for their work with Fellini, Godard, Fassbinder, and Herzog among others would unwittingly unite to create the greatest financial disaster in movie history: The Adventures of Baron Munchausen . Andrew Yule goes behind the scenes of Gilliam's epic and unravels, twist by agonizing twist, the contorted drama which saw the original budget of \$23.5 million rocket to an astronomical \$46 million making it one of the most expensive features in history.
