Kim Casali : Love Is...In Bloom before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Is...In Bloom:

0 of 0 people found the following review helpful. Great Valentine's Gift! -- She'll Love It !!By Kindle CustomerI grew up with this comic strip but don't get it in my local newspaper anymore. This book is an excellent collection of different "love is..." sentiments. Get it for your wife or female friend for Valentine's Day...it will be a big hit...I promise.0 of 0 people found the following review helpful. LOVE IS WonderfulBy Judi SpencerThese cartoons favorites from years ago and filled a lot of my and my husbands Love Letters. The sentiments are So special. I have a lot of them that I saved from news papers and was really happy to find the two books that were offered by .Judi Spencer0 of 0 people found the following review helpful. Very cute collection of these old cartoons. I bought ...By DannieLynnVery cute collection of these old cartoons. I bought this book to color the images and then use them around the house in art projects but now that I have it, its too cute. I cant do it.

The story behind these delightful cartoons is as charming as the drawings themselves. In the 1960s a shy artist named

Kim Casali found she could best express her feelings to the man who would eventually become her husband through her charming drawings, which he would find every day in the most unlikely places. Roberto not only treasured and saved them all, he recognized their universal message of hope and love. He shared the first with Los Angeles Times readers in 1970 and today these heartfelt drawings are treasured by over 100 million people in 50 countries. This third collection presents 365 new drawings now retro, impactful, and delightfully witty. Do you remember when we believed love could save the world? Maybe not so farfetched an idea today!

About the Author Since the death of Kim Casali in June 1997, her son Stefano has maintained his mothers legacy of the beloved comic panel with artist Bill Asprey, who continues to draw the charming little cartoons.
