Made in Paradise - a historical view of movies that were made in Hawaii beginning from the 1920'sBy Aloha 9620I bought this book for a gift to my wife and we both found it just outstanding. This book is well put together and gives a wonderful history of films of Hawaii. It is a wonderful infill piece on a great piece of Hawaiian and South Seas culture that you will enjoy for a long time.0 of 0 people found the following review helpful. Made in ParadiseBy James A. HusingGreat reference book for movies and TV shows about Hawaii or filmed in Hawaii. Well worth the purchase. I highly recommend this book.3 of 3 people found the following review helpful. More Fun Than a Saturday MatineeBy David E. FleenorWhile not a book to be read from cover to cover, this is a fun book to browse. The book is like a Roger Ebert guide to American movies and TV shows either filmed on location or about the Pacific. I'm probably not objective, as the Pacific and old movies are both hobbies of mine, but I keep this book close to my cable box. The book is fairly comprehensive in covering all movies made in or about the Pacific. Reyes is non-critical about the movies he profiles. The pictures are worth the price all by themselves.

People who like movies, will love this wonderful soft cover book that was published in 1995. The book is filled with wonderful black and white photos of the stars and the movies that were filmed in Hawaii. The book contains 384

pages. The stars names and movie titles are well indexed!
