I bought this book after thinking about shooting a documentary. This is a fantastic and informative read. If you are considering making a documentary, even if you're a pro, then buy this book. Such great knowledge.1 of 1 people found the following review helpful. Started reading the first few chapters... blown ...By Abbigail RennesStarted reading the first few chapters...blown away by the writing voice and the ideas he presents. As a filmmaker ,I agree with his careful approach. Must read if you want to start making a documentary and see the lens behind how to think through a concept.0 of 0 people found the following review helpful. ThoroughBy Golden, Rlooks like a good book

The classic guide to making documentaries, now revised and expanded for today's filmmakerThe second edition of Making Documentary Films and Videos fully updates the popular guidebook that has given readers around the world the knowledge and confidence to produce their first documentary film. It traces two main approachesrecording behavior and re-creating past eventsand shows you how to be successful at each.
