**Peter Gidal : Materialist Film (Routledge Library Editions: Cinema)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Materialist Film (Routledge Library Editions: Cinema):

Using the films of Andy Warhol, Jean-Luc Goddard and Malcolm LeGrice, "Materialist Film" explores questions of film form and cinematic meaning within avant-garde cinema. This book should be of interest to students and teachers of media/film studies, and film buffs.
