**Groucho Marx : Memoirs Of A Mangy Lover** before purchasing it in order to gage whether or not it would be worth my time, and all praised Memoirs Of A Mangy Lover:

1 of 1 people found the following review helpful. He plays with words and pokes fun at the various human conditions By Stephen P. Lopez Not so much a biography, but a book filled with Groucho-isms. He plays with words and pokes fun at the various human conditions. As for the collection of essays themselves...are they real? Is he just

pulling our legs? Does it really matter? Just have fun reading 'Memoirs of a Mangy Lover! My I also recommend a book by one of his brothers called, 'Harpo Speaks'. Now that is a truly wonderful autobiography.1 of 1 people found the following review helpful. Groucho, not at his wittiestBy CynDSI'm a huge Marx brothers fan, and have read many books, both by and about them. This one by Groucho is kind of a tepid written version of what would have been a witty verbal exchange, if told as raconteur during an in-depth interview with someone to play off of (Dick Cavett comes to mind). It's amusing enough if you haven't read other accounts of the Marx Brothers' early adventures in vaudeville, matrimony, and affairs of the heart, but kind of repetitive if you're already conversant in things Marxian.0 of 0 people found the following review helpful. Very funny in parts but boring in others and in general ...By Philip GrecoNot really a memoir but a series of anecdotes and essays with a tangential reference to his life. Very funny in parts but boring in others and in general uneven.

Here are Groucho's improbable tales of true romance, narrated with his characteristic panache and illustrated with splendid New Yorker-esque cartoons.

From Library JournalThe one and only Groucho turned his razor wit to the subject of love as well as remembrances of his brothers and some general "Marxist" philosophy in this 1963 volume. Groucho's observations are buttressed with illustrations by Leo Hershfield. You can never go wrong with Groucho. Copyright 1997 Reed Business Information, Inc. "I read it with delight in one gulp." -- -Ogden Nash"You can practically see him leer as you read." -- -Washington PostAbout the AuthorAs a member of the Marx Brothers, Julius (1895-1977), a.k.a. Groucho, enjoyed a sensational career on Broadway and in Hollywood with such comedy classics as Animal Crackers, Duck Soup, and A Night at the Opera. His solo career included work as a film actor, television game show emcee, and author of Groucho Me, his autobiography.
