Mike Figgis : Mike Figgis: Collected Screenplays 1: Stormy Monday, Liebestraum, Leaving Las Vegas before purchasing it in order to gage whether or not it would be worth my time, and all praised Mike Figgis: Collected Screenplays 1: Stormy Monday, Liebestraum, Leaving Las Vegas:

Mike Figgis is known for his iconoclastic portrayals of outsiders. *Stormy Monday* (1988) depicts a janitor turned jazz club partner while in *Liebestraum* (1991) two affairs shed light on a 30-year old murder-suicide. But it was with *Leaving Las Vegas* (1995) that Figgis became a household name. The heartbreaking story of the friendship between a prostitute and a man drinking himself to death, the film garnered numerous accolades and awards including Oscar nominations for Best Screenplay and Best Director, and has since become a contemporary classic.

About the Author Mike Figgis was a musician and theatrical director before he became an acclaimed filmmaker.
