Brenda Murphy : Miller: Death of a Salesman (Plays in Production) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Miller: Death of a Salesman (Plays in Production):

This is the first book to provide a critical history of one of the American theater's most famous plays, Death of a Salesman. Brenda Murphy offers a detailed account of the most significant Salesman productions throughout the

world, on the stage as well as in film, radio, and television. The play has also provided a number of memorable interpretations by actors such as Dustin Hoffman, George C. Scott, Frederic March, and Mel Gibson. The volume includes a production chronology, bibliography, discography, videography, and photographs from key productions.

..Murphy presents an impressive body of material to help the reader flesh out, or concretize, his or her reading of *Death of a Salesman*...a valuable addition to Miller studies." *Essays in Theatre* From the Back Cover This is the first book to provide a critical history of one of American theater's most famous plays, 'Death of a Salesman.' Murphy offers a detailed account of the most significant Salesman productions throughout the world, on the stage as well as on film, radio, and television.
