**Lisa Rafferty, Stefanie Cloutier, Sheila Eppolito : Momologues 2: Off to School** before purchasing it in order to gage whether or not it would be worth my time, and all praised Momologues 2: Off to School:

The MOM crew is at it again! MOMologues2: Off to School offers a frank and funny look at the true tales of

motherhood, from homework hell to multitasking mania. Four separate characters tell their individual stories, either directly to the audience in monologues, or in scenes with each other. Moms everywhere will laugh in recognition at the playdates gone wrong, the crazy way to get a Mom day off, how to stalk a potential babysitter, and much more.
