Tim Paxton : Monster! #2 (Volume 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Monster! #2 (Volume 4):

6 of 6 people found the following review helpful. 5 Stars For The 'Zine, 1 Star For My Poor, Poor EyesightBy William MizeThe writing is stellar. In this issue they take on "The Monster of Piedras Blancas" and really do it justice. They gather little known facts, bit and pieces and weave it together into a great article on a little known, but much loved film.I purchased Issues #1 through #8 and have started devouring them at a rapid pace.My only gripe is that these are

true 'zines. They're less than 6" x 9", and crammed full of great writing, so the font is small. Very small. I understand this is to capture the feel of the 'zines from the early years, but man, I would LOVE for this magazine to be available in PDF or other digital format, because it's killin' my eyes! Great product, small print, but well worth the effort. Guess until they come out in a different format, I'll have to get a magnifying glass from and carry on. Thanks to Tim and his crew for great work! William Mize Creator of the Denton Ward and Monty Crocetti Mystery Series 1 of 1 people found the following review helpful. Get some Monster! By K Chiba B Movie Fan. Monster of Piedras Blancas is an old favorite and they do a good extensive piece on it here. Also a little coverage on another guilty pleasure, Invasion of the Saucer Men. Glad these "grind house" style "magazines" are coming back. 1 of 1 people found the following review helpful. Can never get enough MONSTERS! By JP Fish These issues are full of those B+W nightmares that haunted out TV sets in the early 60s after their drive in runs flashed by. I found this one particularly fun because of the cover story. But the cover does not matter. Every issue is a treasure trove of trivia and surprising back stories. Cannot get enough!

MONSTER! is the hideous brainchild of cinema magazine guru and masterful film critic, Tim Paxton. MONSTER! is a monthly digest dedicated to all things monstrous. If you love monsters, you're going to have a snarling good time reading MONSTER!
