Patricia Bosworth : Montgomery Clift: A Biography before purchasing it in order to gage whether or not it would be worth my time, and all praised Montgomery Clift: A Biography:

1 of 1 people found the following review helpful. Authentic and full of dramaBy CBURTWhat a life and what an

actor! Too bad he grew up in a time when keeping secrets was necessary. I found myself wondering over and over again that if he had been born later and lived and worked in our time would he have been happier and less self-destructive? 2 of 2 people found the following review helpful. This book presented a very revealing portrait of a Hollywood ... By B. Harwell This book presented a very revealing portrait of a Hollywood legend. His life is an example of many of the Hollywood stars and the results of too much fame and fortune. After having it all, they then resort to other means to find fulfillment which results in a bitter and tragic end to their lives. 3 of 3 people found the following review helpful. Loved the book! A must read for anyone who wants to know more about Montgomery Clift. By Giavanna giardello I loved this book. I felt like I really got to know Montgomery Clift. The writing was so vivid I could really get his tormented personality, his quirks, his inner demons that drove him, as told to the author by friends and family. I even went online to search for his friends to see what they looked like to further piece the story together and see who they were. I would recommend this book. Montgomery Clift was a sad man, sorry none of his friends were able to help him. I am surprised his therapist didn't lose his license, as he was probably the worst influence on him.

(Limelight). "...Because of Bosworth's artistry, her ability to choose the right details, and her own immersion in the subject... this book is an amazing excursion into a life." New York Times Book Review "It stands as the definitive work on the gifted, haunted actor." Los Angeles Times "Here it is the real thing inside Montgomery Clift. I've known other actors as well, but none with such a harrowing tale. I kept wondering, could Patricia Bosworth have been there? Everywhere? The book is that vivid and intimate." Elia Kazan

"...Because of Bosworth's artistry, her ability to choose the right details, and her own immersion in the subject... [this book] is an amazing excursion into a life." -New York Times Book "It stands as the definitive work on the gifted, haunted actor." -Los Angeles Times "Here it is - the real thing - inside Montgomery Clift. I've known other actors as well, but none with such a harrowing tale. I kept wondering, could Patricia Bosworth have been there? Everywhere? The book is that vivid and intimate." -Elia Kazan
