**Gary Morecambe : Morecambe and Wise Treasures** before purchasing it in order to gage whether or not it would be worth my time, and all praised Morecambe and Wise Treasures:

For more than 40 years, Eric Morecambe and Ernie Wise epitomized the best of British comedy. Beginning their iconic partnership in 1941, they graced stages all over the UK, and moved from radio to TV screen, where they became a staple for family audiences with their famous star-studded Christmas shows, garnering viewing figures as high as 23 million. Many of their routines and sketches are now ingrained on the British memory from dance routines with the likes of Angela Rippon and Shirley Bassey, to ironic moments in the "plays what Ernie wrote" that featured the likes of Vanessa Redgrave, Penelope Keith, and Peter Cushing, and celebrated encounters with great performers from all corners of the arts, such as Andre Previn. The term "comic genius" can be overused, but never when describing these two. Morecambe Wise left a legacy that has influenced successive generations from Ben Elton to Miranda Hart, and this delightful book brings their story to life through the inclusion of 20 facsimile documents, many of which have never been seen before.

About the Author Gary Morecambe is an author whose titles include *Dancing with the Angels*, *Morecambe Wise: Behind the Sunshine*, and *Sellers on Sellers*.
