**Bernard A. Drew : Motion Picture Series and Sequels: A Reference Guide (Routledge Library Editions: Cinema)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Motion Picture Series and Sequels: A Reference Guide (Routledge Library Editions: Cinema):

0 of 0 people found the following review helpful. A terrific ferefence bookBy donna j mcculloughThis is just what I

needed to keep up with the series I have or the ones I want to add to my collection. My only complaint, if it is one, is that published material can't keep up with speed of the series films being released by the studios. As a film nerd it is very useful to me as a reference book.

In 1989 alone, for example, there were some forty-five major motion pictures which were sequels or part of a series. The film series phenomenon crosses all genres and has been around since the silent film era. This reference guide, in alphabetical order, lists some 906 English Language motion pictures, from 1899 to 1990, when the book was initially published. A brief plot description is given for each series entry, followed by the individual film titles with corresponding years, directors and performers. Animated pictures, documentaries and concert films are not included but movies released direct to video are.
