**Becky Thorn : Movie Dinners: Reel Recipes from Your Favourite Films** before purchasing it in order to gage whether or not it would be worth my time, and all praised *Movie Dinners: Reel Recipes from Your Favourite Films*:

2 of 2 people found the following review helpful. **LIKE A MOVIE, SOMETIMES GOOD, SOMETIMES DISAPPOINTING**By FabulousLike a movie, this book is sometimes good and sometimes disappointing. Thankfully, like a movie, you can savor the good parts and walk away from the disappointing, leaving others to decide if the price paid was money well spent or money wasted. I felt somehow poorer after having read this book and wished I had not made the investment. 4 of 4 people found the following review helpful. **great value**By Galen\_WWI purchased this cookbook for a gift basket I was putting together. The theme of the gift basket was "Dinner and a Movie". In addition to this book I included local theater tickets for two, movie style candies, pop corn, 3-D glasses and other similar items. I was impressed with this little recipe book when it arrived. I was expecting a little paperback book but it was much more than that. This is a great book for anyone interested in cooking, movies, or both. 3 of 4 people found the following review helpful. **Fun, great cooking, did I mention fun?**By CindyB This book is too much fun! Recipes from your favorite movies...my favorite? Blue soup! Bridget Jones' Diary dinner party blue soup. Not only does this book bring you on a stroll down memory lane of great movies, the recipes are just wonderful! The author is witty and creative, not to mention an obvious lover of movies. What's next? Leave it to Beaver Sunday dinner? This book is a great gift when invited to someone's house for dinner.

From the famous recipe for Blue Soup in Bridget Jones' Diary to the infamous rabbit stew in Fatal Attraction, tried-and-tested recipes from the big screen

About the Author Becky Thorn is the author of School Dinners.
