**From Brand: ABC-CLIO : Movies in American History [3 volumes]: An Encyclopedia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Movies in American History [3 volumes]: An Encyclopedia:

0 of 0 people found the following review helpful. Indispensible resource for film loversBy Sara BridesonMy sister and I are lifelong film lovers but we have always had a difficult time finding books that provide a comprehensive history of films of all different genres and from all different eras. Philip DiMare's encyclopedia provided just what we needed. We use it not only as a guide for "must watch" films, but also as a historical reference book. Film is an integral part of America's history and this book perfectly describes the relevance of each film spotlighted and why we as modern film

viewers should still care about it. The encyclopedias have plenty of beautiful illustrations, too. Don't wait to take a film class to read these books; they're enjoyable at any time!

This provocative three-volume encyclopedia is a valuable resource for readers seeking an understanding of how movies have both reflected and helped engender America's political, economic, and social history. Provides 450 AZ entries that comprehensively cover the historical significance of subjects, people, and films of the American cinema. Contains contributions from 150 distinguished interdisciplinary scholars offering their analysis on the role of movies in American history. Includes reference materials and suggestions for further reading with every entry.

"With its particular context, and with contributors coming from a variety of backgrounds, including history, religion, science, and politics as well as film, this resource offers an interesting angle on the study of film. Recommended for large public libraries and for college libraries supporting film and popularculture programs." - Booklist  
Author Philip C. DiMare is a lecturer in the departments of Humanities and Religious Studies and History at California State University, Sacramento, CA.
