The movie stunk was in no way true to the Mr. Bean we've all come to know and love, except for the material that was lifted directly from the TV program which we've all already seen for free. 2 of 3 people found the following review helpful. Hysterical and one of a kind By A Customer This book is brilliant, it is filled with excellent pictures that will make your sides ache.

A scrapbook of Bean's visit to the states, with text "typed" in the book, and "Polaroids" pasted in, Mr. Bean's Notebook also includes an Appendix of Mr. Bean's ideas on everything from airline safety to art criticism to his

favorite films. Includes a punch-out Mr. Bean doll with clothing to dress him in. 150 color photos.
