Rob Foster : Mr. Bruce, Do You Swear?: A Serio-Comic Fantasy Interview with the Most Important Stand-Up Comedian of the 20th Century before purchasing it in order to gage whether or not it would be worth my time, and all praised Mr. Bruce, Do You Swear?: A Serio-Comic Fantasy Interview with the Most Important Stand-Up Comedian of the 20th Century:

1 of 1 people found the following review helpful. ... the opportunity to produce this play and it is funny! The humour is still very relevantBy queeniekolyI had the opportunity to produce this play and it is funny! The humour is still very relevant, as well as the political take on the show. it was very well received by our local audiences, and it is a high recommend to read and if you were in the theater business, to produce it

Lenny Bruce, the most important stand-up comedian of the 20th century, gets one more chance to defend his life on the witness stand. And you are the jury. Bruce's struggle for his right to speak his mind on stage brought about an evolution in stand-up comedy and transformed the way we interpret our freedoms under the First Amendment of the Constitution. Every American should know his story. "Mr. Bruce, Do You Swear?" is a play written and produced in 2004, by Rob Foster, that brings Bruce and the legal battle he waged back to life, recreating some of his legendary, status-quo threatening comedy along the way! Sit back and prepare to have your eyes opened and your mind blown, by the tumultuous life of one of American culture's true originals... ya shmuck! The book includes the entire text of the play, plus original review notices, author's commentary and a photo-strewn biographical chapter on the man himself, Lenny Bruce!
