Whether it's making a few comments about her domestic helper or explaining how she tries to fit into her hubby's family - it's all fun and truthful. Easy to read and you will definitely chuckle along the way.0 of 0 people found the following review helpful. Mrs Funnybones is a nice light

entertaining read

Mrs Funnybones is a nice light entertaining read. The author addresses most of the everyday issues of family life and some main stream issues of culture and so called tradition on lighter notes and is bang on them resonating with all liberated thinkers of Indian origin. Twinkle Khanna is quite a riot as she tells us about the many roles she plays and relationships she juggles. I quite like the names she uses to address the main characters in the book along with the way she humors the characters. Recommend the book to one and all. It is definitely a one time read and a book for the home library!!

I really loved reading this book. Once I started I couldn't keep book down . Twinkle Khanna has told true life truths in funny way . Loved it. Waiting to read more.

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening, even as she goes to work all day, who runs her own life but has to listen to her Mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna s super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

I love Twinkle Khanna s brilliant observations and self deprecating humour she is the discovery of the decade. --Karan Johar
Fantastic, fashionable and funny. --Vogue
An intelligent critic ... [writing] is a craft and Twinkle Khanna has demonstrated she has the chops

About the Author
Twinkle Khanna, aka Mrs Funnybones, crafts satirical stories and funny fables when she is not running a design business, selling candles or running in circles around her small but rather odd family. She narrowly escaped a gruesome tragedy when Bollywood tried to bludgeon her brain to the size of a pea, but she ducked at the right moment and escaped miraculously unharmed. She is a popular columnist and is a regular contributor to The Times of India and DNA After Hrs. Currently, she is in the process of creating lame jokes like, Why do all Hindu boys worship their mother? Because their religion tells them to worship the cow. She firmly believes that nothing in life is sacred except laughter.
