It is challenging for the two-person cast and should be a big hit with an audience. Since I well remember manners classes, sometimes called Charm Schools, I could relate to the instructor. The multi-character second actor will have grand fun switching from part to part.0 of 0 people found the following review helpful. Mrs. Mannerly never

delivers the punch that is expected. By pmew The play is a bit light weight. Amusing? Yes, if the right actor is cast in the role of the student. Mrs. Mannerly is a somewhat interesting character whose "secret" is never actually revealed which comes across as a cop out on the part of the playwright, in my humble opinion. 0 of 0 people found the following review helpful. Love it! Great story and characters By Ashley Carnahan We are doing this show at our local theatre. Love it! Great story and characters, and there is flexibility in casting. Set can be done simply. Definitely a hit!
