Thomas S. Hischak : Musicals in Film: A Guide to the Genre before purchasing it in order to gage whether or not it would be worth my time, and all praised Musicals in Film: A Guide to the Genre:

This wide-ranging guide introduces (or reintroduces) readers to movie musicals past and present, enabling them to experience the development of this uniquely American art form and discover films they'll love. Shows how the genre developed over time, from the 1920s to the present Shares fascinating insights about musicals with which the reader is already familiar Offers information on many lesser-known musicals Helps readers find film musicals that are similar

to those they know and like Introduces important performers, directors, and songwriters Includes photographic stills from famous movie musicals

"This is an excellent choice for the performing-arts sections of most libraries." - Booklist
