Venture forthif you dareinto the hazardous territory that is the girl brain...! From the dreaded doom of bra-shopping to the delights and disasters of modern-day living, this book offers a humorous, revealing, and hugely-relatable exploration of what it means to be a girl in the twenty-first century.

About the Author Nina Cosford is a freelance illustrator living and working in Southeast England. Amongst other projects, she has continually collaborated with HBO on promotion for Lena Dunham's award-winning TV show **GIRLS**, and her work has gained her an international following of loyal fans, that span the globe.
