Riichi Ueshiba : Mysterious Girlfriend X, 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Mysterious Girlfriend X, 2:

4 of 4 people found the following review helpful. continues from vol1 while becoming more interestingBy Joshua Y. Yuanmysterious girlfriend x vol2 continues off where vol1 left off, mostly with chapters that are mostly one shots, maybe 2 or 3 chapters get linked together at a time. enjoyable little bit of romance, the Oka/Ueno and Tsubaki/Urabe pairings get more into their relationships and they are played off of each other quite a bit starting from here on out. The occurrences become slightly weirder and more engaging to the reader. The art is still strangely nostalgic, and really surprisingly detailed (like not much is screen-toned away, there's like words and stuff on far away little posters and signs and stuff). It continues to be one of my favorite school romance series.2 of 2 people found the following

review helpful. Excellent series
By Ernesto Robles
An excellent series to read. I highly recommend for those like love stories, character development, and funny moments
0 of 0 people found the following review helpful. Girls are a Mystery!
By Mike Keepper
Wonderful comic manga about adolescence. Teenagers learning about boys girls. Learning about love and relationships. All the excitement and terror and embarrassment and so on. Very entertaining and real too!

The Mystery Deepens
As the school year progresses and the seasons change, Tsubaki and Urabe's unusual relationship continues to grow and change as the two learn new things both mysterious and mundane about each other. Then one day Tsubaki discovers a popular idol who bears an uncanny resemblance to his girlfriend

About the Author
Riichi Ueshiba (aka Reach Ueshiba; born 1969) is a veteran comic artist from the southern Japanese city of Fukuoka. His early days as a comic artist were developed while he was going to the prestigious Waseda University in Tokyo back in 1990. After his second year in college, over summer break, Ueshiba took his first step into the realm of professional comics by writing the script for what would become his hit debut work Discommunication. He would then submit the work to Kodansha's Chiba Tetsuya Contest for New Artists and to his surprise the short would go on to pick up the General Award for their 1991 edition granting him the option to be signed up to work on a series for the publisher.
