It is very good, almost riveting as you listen to the story unfold. I especially like that it is reality based on the authors and their stories, not just a dramatization of a story. He actually tells and talks about the authors. My children have really enjoyed this CD and we have listened to it several times now. 2 of 2 people found the following review helpful. A Must Own for Your Jim Weiss Collection By J. Schaff Our family loves, loves, loves Jim Weiss and this is one of our favorites of his. Three great choices with The Red Headed League as the crown jewel of the trio. Our 3 year old daughter even requested it the other day. 2 of 2 people found the following review helpful.
