Jared Hess, Jerusha Hess : Napoleon Dynamite: Final Shooting Script before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon Dynamite: Final Shooting Script:

4 of 5 people found the following review helpful. this is still the wrong bookBy pomogirlThis is the second time I've purchased this Kindle book which is supposed to be the Final Shooting Script according to the graphic and the paperback ISBN 13 on the same product page. ISBN-13: 9781416927662. It is NOT supposed to be the book of quotes. I commented on this last year, so it seems odd that it hasn't been fixed.1 of 1 people found the following review helpful. Great!By Hailey Rose JohnstonGreat condition and very similar to the movie. I liked how the script

was only printed on the right side when the book was opened and how it was in the classic typewriter font. I used this to create an on-stage version and it turned out well. Two thumbs up.

A true twenty-first-century hero, Napoleon Dynamite is awesome at drawing ligers, hunting wolverines, and playing tetherball. He also has some sweet dance moves. His friends have some pretty good skills too - Pedro has a Huffy Sledgehammer and a mustache, and Deb makes the best boondoggle key chains in town. Sure, Uncle Rico tries to ruin Napoleon's life and makes him look like a freakin' idiot, but even if Napoleon's just had the worst day of his life, tomorrow he can get up and do whatever he feels like he wants to do. Gosh!
