Napoleon Dynamite: Flippin' Sweet!By SilviaI was really disappointed when I received this flip book in the mail. When it arrived the edges of the book were bent/damaged and it looked like it had been used although I ordered a new book. I was embarrassed to give it to my friend because he would have assumed that I had flipped through the book a bajillion times before giving it to him. It's a fantastic product, but next time I'll purchase the book at a store instead.

A flip-book of the dancing scene from the movie "Napoleon Dynamite."
