Eleanor Rehahn : Narrative in Film and TV: Classroom Resources (Teacher's Guides and Classroom Resources) before purchasing it in order to gage whether or not it would be worth my time, and all praised Narrative in Film and TV: Classroom Resources (Teacher's Guides and Classroom Resources):

These Classroom Resources provide materials that outline key theories and ideas, and tasks and activities that

encourage students to explore, discuss and analyse key texts, using familiar and accessible texts.

About the Author Eleanor Rehahn teaches Media Studies at a school in the east of England.
