**National Lampoon : National Lampoon's Rules of the Road** before purchasing it in order to gage whether or not it would be worth my time, and all praised National Lampoon's Rules of the Road:

2 of 4 people found the following review helpful. Recent Trash From NatLamp Purchasers By Patrick E. O'Neil The National Lampoon name has been purchased by a group that has no sense of humor whatever but intends to market old properties and mix in new junk, betting you can't tell the difference until after you buy it. Basically this includes anything put out after 2002. There was ONE Five Star Review up until mine -- Guess what a Shlock Meister might do to sell such a CD! Hint, a \_\_\_ and his \_\_\_ are soon \_\_\_. I recommend that people who have heard this CD and know what it contains get some reviews in as well. 2 of 3 people found the following review helpful. Awesome! The Best Gay Trucking CD Ever! By A Customer Of course, it's also probably the only album filled with gay trucking songs, but never mind -- this is funny! The best thing the Lampoon has done in years.

National Lampoon's new CD Rules Of The Road encompasses the full range of emotions felt on the lonesome highway, from paranoid closeted homoerotica to jubilant flamboyant homoerotica and all the textures in between.
