Containing 21 detachable postcards of miniature scenes in which naughty little people engage in surprising, funny, titillating, or simply obscene behavior, this book gives readers a humorous look beneath the veneer of polite society. Artists Vincent Bousserez, Etienne Clement, Daniel Dorall, Jonah Samson, and Lisa Swerling make stunning use of miniature scenes to create startling situations and amusing, memorable images. The pictures play with the notions of

surprise and hidden drama, inviting the viewer to take a peek into the darkly funny depths of human behavior from the silly and the crude to the disturbing and the mysterious. Ideal for sharing with or sending to friends, this postcard book is an original, fun and amusing gift for adults (or overgrown kids!)
