Gives some ideas on what the actors were wearing in the time period.2 of 3 people found the following review helpful. Good insight into adapting a play to the screen.By A CustomerA good introduction to the relationship of a screenplay to the actual images that end up on screen. Martha Coolidge is the director of the film [not the designer] and Ray Stark is the producer.

Simon's full screenplay, in addition to an interview with the playwright, and the insights and revelations of the director, producer, cast, and crew. Illustrated with production photographs, storyboard drawings, costume sketches, period drawings, and photos. 120 illustrations, 42 in color. The Newmarket Pictorial Moviebooks, official companions to films, large format (8 3/8 x 10 7/8), heavily illustrated throughout, with color photographs, details on the making of the film, background on the filmmakers and cast.

From School Library Journal YA-Interspersed throughout the script of the screenplay are photographs from the film, articles on the set and costume designs, and comments and interviews with those involved in the movie. The comedies and tragedies of real life experiences handled in this film are superbly treated here. Especially useful for drama and film students, this authentic record of a cinematic event provides a wonderful way for readers to immerse themselves in its production.
