**Nancy Tamosaitis : Net Talk** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Net Talk:

Compiling hundreds of acronyms and emoticons (smileys), NetSpeak includes everything from the everyday (BTW, FWIW, IMHO) to the humorous, bawdy, and downright bizarre. The author spices up NetSpeak with celebrity comments on the way they use emoticons and acronyms on-line. Tamosaitis also weaves a humorous essay that employs many of the acronyms and emotions referenced throughout the book.
