the most ...By AlexanderThis is book is the absolute greatest insight into the making of one of the most influential horror films of all time, and one of the most recognized names and figures ever put to film and pop culture. From the foreword on, it captures your eyes and brain and makes you never want to put it down. ive been a massive nightmare on elm street fan my whole entire life, and with the release of the Elm Street legacy DVD back in 2010, I was amazed at how insightful the documentary was. Now, you can get the book form, which gos into even more detail about the making of the original classic. if youre a horror fan, a movie fan, a nightmare on elm street fan, or a casual fan, please pick up this book. Its perfection!3 of 3 people found the following review helpful. An Elm Street fans dream come true!By GraveShiftEverything an Elm Street fan could ever want! Sadly I missed out on the deluxe coffee table sized one, but this paperback version is nothing short of a pure treat. Extremely well written and informative, and at such a great price. The definitive story of the making of Wes Craven's 1984 classic horror film. Never Sleep Again is the ultimate chronicle of one of the most important horror films of the 20th century. Hutson takes fans deeper into the boiler room of the original A Nightmare on Elm Street than they've ever dared go, from exploring what spurred mastermind Craven to craft his watershed film to the beginnings of Robert Shaye's revolutionary New Line Cinema. Never Sleep Again features dozens of exclusive cast and crew interviews, in addition to thoughts from those who worked with Craven and Shaye prior to their Nightmare. This extensively researched, comprehensive look back is the definitive account of the film that began what many have called the best, most frightening and imaginative horror franchise in motion picture history. Includes hundreds of black and white photos.

"Every turn of the page offers new insights and candid stories by the stars and production team that made Wes Craven's nightmarish vision and villain a reality...all pieced together to create a book that is a masterpiece of its own...a must own for fans of the franchise. (iHorror.com)"The definitive book on the making of the original Nightmare on Elm Street...Includes a treasure trove of behind-the-scenes photos and other documentation not seen elsewhere. If you're a fan of the series, this highly entertaining book is a must-read." (Jack Sholder, director of A Nightmare on Elm Street 2: Freddy's Revenge)"For those that continue to have an insatiable appetite for any info regarding Wes Craven's masterpiece." (Blumhouse.com)"Scarily sleek and sophisticated...this is the last book on Elm Street you'll ever need to read." (1428Elm.com)"An in-depth and at times very close to vest-like book, one that every horror fan should own." (Icons of Fright)
