Lynn Johnston : Never Wink at a Worried Woman: A For Better or For Worse Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Wink at a Worried Woman: A For Better or For Worse Collection:

1 of 1 people found the following review helpful. What to say about a truly epic comic strip...By Georgie GirlI am in the process of completing my For Better Or For Worse collection. Reading this comic strip is very much like watching a drama about family life, with comedy of course. It is a comic strip after all. The characters age and experience things that most families would. And even though the series has it's serious moments throughout, I appreciate that Lynn Johnston created her characters to come out of those tough spots no worse for wear and to focus on the positive and even learn something along the way. I'd tell you about the individual book itself, but the collection of comic books is very much like a book series. You'll be out of the loop if you don't read them all. Five stars for the entire series.0 of 0 people found the following review helpful. great comic stripBy DVD watcherI always enjoyed For Better or For Worse comics. This is another great collection of the Sunday and daily comic strip. Highly recommend.0 of 0 people found the following review helpful. FunnyBy Tally LadyYes, indeed--Lynn hits it on the nail every trime

'The comics pages have no shortage of family strips, but For Better or For Worse distinguished itself from the start. . . .

This success can be attributed to Johnston's uncanny ability to see into the heart of daily life so accurately that readers feel she is speaking directly to them."Art imitating life. That's what happens in Lynn Johnston's perennially popular comic strip, For Better or For Worse. By reflecting on her own family and experiences, she created the Pattersons: Elly, John, Michael, Elizabeth, and April, along with grandparents, grandchildren, friends, and coworkers and the everyday situations they deal with. In *Never Wink at a Worried Woman*, life is progressing for each character. Elly and John tenuously think of retirement while still being preoccupied parents of a preteen. Michael and Deanna grow into their roles as new parents while Michael's career gets a new boost. Elizabeth takes more steps to adulthood, by beginning her student teaching and facing the fact that Anthony is marrying another. April is racing to turn 13, busy with her band and also helping out at Lilliput's, where she makes a painful discovery about a coworker. Add in Grampa Jim's quest to maintain his aging dignity and baby Meredith's burgeoning curiosity, and you get a full dose of life. *For Better or For Worse* has appealed to readers for more than 25 years. It runs in more than 2,000 newspapers in the U.S., Canada, and 20 other countries and is translated into eight languages besides English.

About the AuthorLynn Johnston was born in Collingwood, Ontario, and grew up in British Columbia. Today, she lives in Corbeil, Ontario. Johnston is the first woman to receive a Reuben Award for Outstanding Cartoonist of the Year from the National Cartoonists Society in 1986. She has also received the Order of Canada and claims a star on Canada's Walk of Fame.
