Chris Cook : New Kauai Movie Book: Films Made on the Garden Island before purchasing it in order to gage whether or not it would be worth my time, and all praised New Kauai Movie Book: Films Made on the Garden Island:

4 of 4 people found the following review helpful. More to Kauai than it's beauty...By CustomerJust got my new book today and have had a hard time putting it down. So many movies we have seen, and now we have places to put them with and how it played out on our favorite island. So many places we've visited and yet had no idea of the film history that was to be had. Great souvenir and coffee table book.0 of 0 people found the following review helpful. Four StarsBy JazzerIvanVery interesting accounting of the many movies that have been made on the island.0 of 0 people found the following review helpful. Five StarsBy susan lynn jacobsonFun book, arrived quickly

If you are a movie buff, here is detailed information on every movie ever shot on Kauai. If you are an armchair

traveler, here is all of Kauai's fabulous scenery. If you love the island, here is a keepsake of the many reasons why.;The New Kauai Movie Book includes films made since the book's original release in 1996 such as The Descendants, a film acclaimed as the most authentic movie about Hawaii ever made; Pirates of the Caribbean On Stranger Tides; Soul Surfer, the story of Kauai shark attack survivor Bethany Hamilton; and Ben Stiller's Tropic Thunder. It documents Hollywood's almost century-long love affair with Kauai integrating rare movie stills of casts, crews, and sets, along with the breathtaking color imagery of locations by renowned island landscape photographer David Boynton. Readers are able to trace the location of almost every major Hollywood feature filmed on the island including Jurassic Park, South Pacific, Raiders of the Lost Ark, Pirates of the Caribbean, and the De

From the Inside FlapIt's not just visitors who have come in droves to experience Kauai's scenic beauty, natural wonders, and sense of mystery. Hollywood knew Kauai's secrets long before the Garden Isle became a destination for travelers from around the globe. Its fascination with Kauai goes as far back as 1933 when the first major feature, White Heat (originally titled Cane Fire), was filmed. The New Kauai Movie Book includes films made since the book's original release in 1996 such as The Descendants, a film acclaimed as the most authentic movie about Hawaii ever made; Pirates of the Caribbean On Stranger Tides; Soul Surfer, the story of Kauai shark attack survivor Bethany Hamilton; and Ben Stiller's Tropic Thunder. It documents Hollywood's almost century-long love affair with Kauai integrating rare movie stills of casts, crews, and sets, along with the breathtaking color imagery of locations by renowned island landscape photographer David Boynton. Readers are able to trace the location of almost every major Hollywood feature filmed on the island including Jurassic Park, South Pacific, Raiders of the Lost Ark, Pirates of the Caribbean, and the Descendants. It is almost like visiting the locations where your favorite memorable scenes were made and reliving them. The New Kauai Movie Book is also filled with detailed information about film making on Kauai. There is a concise history of surfing movies, a look at documentary filmmaking in the island's native forests, and accounts of Japanese film companies. As well, there is a driving guide to movie locations, a two-page film location map, a comprehensive compendium of feature films ever made on the island.
