From Te Papa Press : New Zealand Film: An Illustrated History before purchasing it in order to gage whether or not it would be worth my time, and all praised New Zealand Film: An Illustrated History:

New Zealand Film: An Illustrated History tells the story of the country's film industry from its beginnings in the 1890s to the post-Lord of the Rings present. The first-ever comprehensive overview ever published, this stunning book is illustrated with hundreds of never- seen-before images from the Film Archive and beyond. As well, it includes a DVD of some of the most important films in this country's history. With contributions from 25 top film writers and industry players, New Zealand Film is an entertaining record of more than a century of film making. It's also essential reading for students and film buffs alike.
