By Connie B. Set up as trivia questions (multiple choice yet!!!) rather than substantial info. Requires constant flipping back and forth to verify answers---took me back to childhood magazine quizzes. Pretty much a waste of time and money.

Test your Irish knowledge with *So You Think You're Irish!* With over 500 multiple choice questions about everything from the Blarney Stone to James Joyce, *So You Think You're Irish* will test your IQ (Irish Quotient, that is), and determine how much of the Emerald Isle you really have in you. The Irish are a strong bunch of people, and those who attest to their Irish heritage stand staunchly behind their knowledge of the reason. But, how do they really know unless they pass this test? Test your Celtic qualifications in these categories: Irish-Americans; Beliefs, Legends, Superstitions, and Remedies; Irish History; and Ireland Today. This book is filled with fun facts, short quizzes, long historical text, and Irish history tests where you can try your knowledge on for size. From food to superstition, history to language, county Mayo to Staten Island, this book asks the questions every knowledgeable Irish person should be able to answer. In *So You Think You're Irish*, even the non-Irish will have fun taking quizzes and learning things about their own heritage they may not have known. Pick up a copy of *So You Think You're Irish* and quiz your friends to see if they really know their stuff.

From the Inside Flap See how much green you really have in you. This challenging multiple-choice quiz book covers every aspect of the Emerald Isle and the Irish family life, from the Blarney Stone to James Joyce. Great Irish trivia title!
From the Back Cover So you think you're Irish, do you now? Well this book, with over 500 multiple choice questions about everything from the Blarney Stone to James Joyce, will test your I.Q. (Irish Quotient, that is), and determine how much of the Emerald Isle you really have in you!
