It's around 500 pages, and offers the most insight into all aspects of playing craps. This is an Advanced book though and if you're new to craps, get a more basic book to start. Be warned that Patrick uses sarcastic anecdotes, but the wit is meant to drive home his key points. Also

recommended, "Craps: The Real Deal" by Vogel and Edell's "How to Make Your Living Playing Craps." 0 of 0 people found the following review helpful. Good, sound advice.By Lucia MarcelaThis is the first book I have read on casino gambling. I am a novice gambler and I found John Patrick's advice to be solid and sound. He wants you to make smart decisions and not expect miracles. There are no gimmicks, no empty promises. He has little tolerance for a loser mentality and is uncompromising on what he thinks is the right or wrong way to go. I will continue to go back to the book as I play more and more because there are many different strategies and I can only absorb and put into practice so much information at once. I just got back from Vegas and I cannot report that I came home with more money than I left with, but I did go there with some parameters to begin playing with and enough confidence to step up to the craps table. Hopefully the dice will be hotter during my next outing.

This is a basic book on the game of craps, explaining the entire method of play, covering Pass Line and Don't Pass line and the entire lay out used in the casinos. The main part of the book concentrates on Money Management and Discipline, showing the reader how to gain a sensible edge at the tables. Emphasis is placed on managing your money and playing intelligently.

John Patrick is a NJ based authority on gaming who's known nationwide for his SO YOU WANNA BE A GAMBLER series of books and videotapes. He's the gaming world's maverick, who makes his presentations in a thoroughly entertaining yet caustic and intelligent manner, much to the delight of his enlightened audience His book on craps ranks with the best of its kind and the fact that it is zeroed in on winning small amounts, is very popular with the thousands of people who visit the casinos day after day. -- John G. Brokopp, Chicago Daily Southland
