John Patrick Productions : So You Want to Be a Gambler: Advanced Roulette (So You Wanna Be a Gambler Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised So You Want to Be a Gambler: Advanced Roulette (So You Wanna Be a Gambler Series):

1 of 1 people found the following review helpful. ... in his books about discipline and money management are good. Some of the roulette strategies he suggestsBy horaceThe gambling ideas that John talks about in his books about discipline and money management are good. Some of the roulette strategies he suggests, I will be trying on my next trip to a casino. So I don't know about them yet..2 of 2 people found the following review helpful. Ton-O-SystemsBy CDSNIt has a lot of systems in it - and I mean a lot. Most of them are even money systems but I was glad to see that at least some of them cover the other betting options. Honestly most of them are not worth considering unless you feel particularly lucky, but there are some interesting ones in there, and it may give you some ideas if you're working on your own system. He puts more emphasis on streaks (series of wins or losses) that I would like, however he does have an eye for money management which is good. Overall I liked it and have kept it.7 of 11 people found the following review helpful. exactly the same book as "John Patrick roulette"By a readerThis books explains a lot progressions and money management in roulette, but none of the strategies in this book will give you and edge over the house. It's for recreational players only, who want to have fun only.

Advance Roulette is a comprehensive and entertaining look into one of the most popular games in the casino. This book offers 12 methods of play and then outlines the Money Management moves needed to properly play Roulette. By taking away the random, uncontrolled method that many people use at Roulette, this book concentrates on giving the reader intelligent ways of betting. The systems are aimed at the players with small to medium Bankrolls and urges the use of Discipline techniques that will kick off small but consistent returns. The explanation of the REGRESSION SYSTEM is worth the price of the book alone.

John Patricks books are among the most popular in the world of gambling. We have shown exerpts from several of Mr. Patricks books and todays article will be dedicated to the game of Roulette. John Patricks excellent book "SO YOU WANNA BE A GAMBLER" (Advanced Roulette), will have chapters displayed for your reference. --Newark Star Ledger, Newark , NJ (Newark (NJ) Star LedgerAbout the AuthorJOHN PATRICK is a professional gambler and besides his prowess in the gambling world has also appeared in the movie "HONEYMOON IN VEGAS" and on the day time soap opera "ONE LIFE TO LIVE." The recognition that Patrick has derived as a professional gambler has led to his being interviewed on talk shows in cities where gambling is being anticipated. Patricks main contributions to the world of gambling is centered around his emphasis on Money Management and Discipline, and how these items should be addressed by his listeners. This explains the popularity of his books with the gambling public.
