the Canada, you probably will laugh out loud as your reading. Short and quick read that I recommend highly. 0 of 0 people found the following review helpful. Meh....By dixietrix This booklet was interesting as far as it went, but content was lacking. On the other hand, it can be read in one sitting. 0 of 0 people found the following review helpful. Absolutely lovely. By Kindle Customer Tickled by how sensible, and peaceful by comparison, the national history is for Canada. Charming cultural touchstones. Thanks for inventing ginger ale, and producing kickass comedians.

So, you want to be Canadian? Who doesn't these days? Canucks are enjoying a major renaissance in attention, from their enlightened social policies to their wild and wooly pop culture. This playful, trivia-packed book is a long-overdue celebration of all things Canadian, from the mysteries of "eh?" to the difference between an Ogo Pogo and a Windingo to how to prepare moose stroganoff (mmm!). Featuring a dreamy list of Canadian hotties, a toe-tapping roundup of Canadian smash hit songs, a handy Canadian-American translator, and pointers on how to eat, dress, and apologize like a Canadian if you weren't lucky enough to be born a Canuck, *So, You Want to Be Canadian* demonstrates once and for all why Canada is so cool (formerly just cold).
