From Schott : SONATAS FOR PIANO DUET PF/4HANDS before purchasing it in order to gage whether or not it would be worth my time, and all praised SONATAS FOR PIANO DUET PF/4HANDS:

(Schott). These sonatas for piano duet will, it is hoped, be a welcome addition to the domestic and educational music repertoire. Even amateurs will have little trouble with them. The sonatas were arranged in the order of the composers' dates of birth. Anyone wishing to play the sonatas in the order of their difficulty, is advised to start with Wolf and continue with Mozart, Haydn, Hassler and Bach.
