Koneman Music : Sonatina I (Music Scores) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sonatina I (Music Scores):

Best buy for Clementi and Kuhlau sonatinasBy A CustomerThis Hungarian edition features the popular sonatinas from Clementi Op. 36, Kuhlau Ops. 55 and 88, and Diabelli Ops. 151 and 168 -- It appears to be an Urtext edition; you'll be surprised at how many of the markings found in other editions are editorial. The heavy paper and typesetting are superior to the Alfred and Kjos editions. The Clementi sonatinas are taken from his own revised edition of 1813 and differ from the traditional versions in many interesting details. I prefer the revised version in most cases. This edition has absolutely no fingering marked, which means some extra work on the part of student and teacher.
