**From Kalmus Classic Edition : Sonatina (Kalmus Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sonatina (Kalmus Edition):

This is Maurice Hinson's edition of one of the most tightly organized and classically oriented works to come from Ravel's pen. In the presentation of this work, in some cases notes are redistributed between the hands for greater ease of execution, and many performance suggestions are included. The 3 movements are: 1. Modere, in F-sharp minor, 2. Mouvement de Menuet, in D-flat major, and 3. Anime, in F-sharp minor.
