**Williams R. Vaughan : Songs of Praise: Melody Edition (Style 3240)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Songs of Praise: Melody Edition (Style 3240):

Songs of Praise was first published in 1925, and is still an immensely popular hymnbook, particularly in schools. The compilation falls into two parts: Book 1 contains hymns grouped by subject and theme, together with a selection of verses, canticles and doxologies; Book 2 contains general hymns listed alphabetically by first line.

About the Author In the fifty years since his death, Vaughan Williams has come to be regarded as one of the finest British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works,

symphonies, concerti, and opera. His searching and visionary imagination, combined with a flexibility in writing for all levels of music-making, has meant that his music is as popular today as it ever has been.
