selection arrangements.By Bill McGonigleThis series is really well done. The arrangements are easy to play and the
layout is very well done. I was able to sight-read most of the pieces that I'm familiar with pretty well, and that speaks
to the quality of the arranger's job. It's also a really good selection of music from the era. We've had hours of fun with
it and expect to have many more.0 of 0 people found the following review helpful. LOVE the New Decade Series!By
