This book rules!!By Richard GargiulloI really liked this book.It follows the game of Sonic Adventure 2 very well.In the beginning, sonic is making his way down a down-hill slope, escaping some sort of military attack,and in the end,he has to do some more running escaping from a giant truck that takes up the entire road!!!!This book will keep you on the edge of your seat,folks!So, to all of you readers out there, this is a book you'll enjoy. Chow!!!9 of 10 people found the following review helpful. GREAT!By CustomerVery resourceful and complete. Detailed maps for each stages, hints, tips and boss explanations!
