Off Base Productions : Sonic Unleashed: Prima Official Game Guide (Prima Official Game Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sonic Unleashed: Prima Official Game Guide (Prima Official Game Guides):

Some stuff is well hidden, so you really have to look for it, but this book can come in handy in tough spots like that in this game. I got a great deal on my order, although I think it was a bit less than in very good condition... at least the front cover back was. Outside it was more like good condition - showed a lot of wear on the cover back. But inside it was in like new condition, so I

can't say much on that. Sweet deal anyhow still looks better than some of my guides I have for my other games I play often, so 5 stars... :37 of 7 people found the following review helpful. Good guide, but not completeBy Rashaan ButlerOkay, this guide does a very good job of summarizing the story and detailing the gameplay, which is great. However, the bottom line is that it does not cover the Playstation 3 and Xbox 360 versions, just the Wii and the Playstation 2 versions. The PS3/360 versions have an extra level, Empire City, that the Wii/PS2 versions don't. Also, I believe that extra characters are involved in the storyline and have special mini-games that do not seem to be present in the Wii/PS2 versions.Despite this annoying, and surprising considering the quality of Primagames' guides, error the guide gets everything about these two versions downpat. If you have a Wii/PS2 and plan to get Sonic Unleashed, it will be very helpful. If you are going to go for the PS3/360 versions, like I am, skip it and wait for either 1) Primagames to come out with a guide to these versions or 2) Someone to put an FAQ on GameFAQs or [...].0 of 0 people found the following review helpful. Five StarsBy edgar fernandeznice game

Spring Into Action: This game combines a brand new graphics engine with the power and fun of the Wii's controls. Prima's guide will cover all the basic and advanced strategies for success in SEGA's latest installment to the Sonic franchise. Don't Be Undone: Special moves, secret abilities, and strategies for boss battles will be detailed to the fullest. Know Where to Look: Secrets and unlockables will be uncovered with all the where's and how's you need to get it for yourself.
