I wanted to be well prepared, and when I saw 'bestandfastestbooks', I thought I was making the right decision. My score came after a full 2 weeks of waiting...from NJ to Texas. This left me with a week to prep, far below the time I actually needed. As a result, I had to audition on book, which I was and will never be comfortable with.The quality of the score was as advertised, so I have no problem with that. To future consumers: If you just want a book for your own enjoyment, go ahead and order. If you actually need it for a reason by a certain time, don't believe

By Philip May Terrible edition. This is a BAD reprint of the old version of the score. Some words and notes are illegible, many lyrical errors, and often difficult to determine who is singing at certain points.

Expertly arranged Vocal Score by William S. Gilbert and Arthur S. Sullivan from the Kalmus Edition series. This is from the Romantic era.
